

IntelliScanner Wine Card

Use this card to associate vintage years and wine colors with the bottles that you scan with your IntelliScanner. When adding wine, scan a bottle and then scan the vintage or color or both. If you make a mistake, simply scan the correct barcode.

Vintage

 2002	2010	
 2003	2011	
 2004	2012	
 2005	2013	
 2006	2014	
 2007	2015
